ABLE MEN ARE WANTED BY Y. M. C. A. FOR RUSSIA

American Y. M. C. A. Workers Teach Returned Russian Soldiers Useful Trades

With the Government at Washington prepared to lend economic and philanthropic support to Russia, the National War Work Council of the Y. M. C. A. is actively recruiting to reinforce the Red Triangle workers already manning huts over there. Agricultural experts, physical directors and regular Y. M. C. A. secretaries as well as other men familiar with welfare work in communities are being sought.

A further consideration of a definite policy toward Russia has served virtually as a "go-ahead" order to the association. The Y. M. C. A., through all uncertainties of the past few months, has kept 100 of its secretaries in Russia. These men have been kept busy day and night in an effort to build up the morale of the citizens and soldiers of the unfortunate country. The secretaries today are in all parts of Russia.

In the dark days of Russia the American secretaries "stood by" all over that country to serve the people in every way possible. Thousands of invalid prisoners were taken care of as they returned from Germany. Most all the men were broken in health. They died, almost without exception, with curses against Germany. But greater even than their hatred was their wonder that their countrymen could have made "peace" with such an enemy.

"The Y. M. C. A. leaders in Russia," said Dr. W. W. Alexander, director of the War Personnel Board of the Southeastern Department, National War Work Council, "have never doubted the essential soundness of the Russian people. Despite all difficulties and inevitable losses and discouragements, the Y. M. C. A. has remained in Russia, seeking to serve and watching for a better day. The day is now evidently coming."

Fifteen new secretaries, with ability to contribute some constructive element to the Russian life of the future are being searched for throughout the Southeastern Department. Some agriculturists are wanted, some business men, but the call comes stronger for men skilled in rural Y. M. C. A. and Community work. All are to go with the purpose of helping Russia help herself.

American Woman Furthest Front

(By Delayed Cable from Chateau Thierry Front With American Forces in France).—Mrs. Clara Simmons, Graffon, Mass., woman Y. M. C. A. worker furthest front, placidly runs canteen while shells drop in adjoining field. Makes hot chocolate and distributes cookies to men going into action. Military policeman killed by shell near her hut—Husband with Y. M. C. A. forces in Vladivostok, Russia.

BIG-SOULED MEN NEEDED IN Y. M. C. A.

For Overseas Work With Red Triangle Forces—500 Recruits Asked For Out Of Southeast During July

"Pass the word on, and pass it quickly, that 500 of the most capable, earnest and big souled Christian business men are needed immediately out of the Southeastern Department for overseas work with the Red Triangle Forces," according to Dr. W. W. Alexander, director of the War Personnel Bureau, Army and Navy Y. M. C. A., for the Southeastern Department. The quota of 500 for the department for the past month was exceeded by 128 enlistments.

The call now comes for executives, of much business experience and specialists in all lines. No man in America is too big for the smallest Y. M. C. A. job "Over There." Today the leading men of the nation are volunteering for the work: Bank presidents, college presidents, office holders, political leaders, religious leaders and hundreds of corporation heads are giving all time to the work with America's Sons in France.

State recruiting committees are operating in the seven Southeastern states. Information as to the opportunities and the work can be secured through the state recruiting secretaries, as follows:

Chas. M. Norfleet, Y. M. C. A., Winston-Salem, N. C.

Heath Bartow, Y. M. C. A., Columbia, S. C.

W. E. Hearon, Y. M. C. A., Atlanta, Ga.

O. E. Maple, Y. M. C. A., Jacksonville, Fla.

Truman L. McGill, Y. M. C. A., Birmingham, Ala.

Dr. J. Watt Rains, Edwards Hotel, Jackson, Miss.

F. M. Massey, Y. M. C. A., Nashville, Tenn.

CROIX DE GUERRE GIVEN TO Y. M. C. A. WORKER

Taking his Croix de Guerre from his own breast, a French army captain, by orders of his general, pinned it on the coat of Edwin Ely, of No. 73 West Eighty-eighth street, New York, according to a cablegram just received from overseas. Mr. Ely is a Y. M. C. A. secretary of a Foyer du Soldat.

Ely was later invited to dinner by the Commanding General. When he entered all the officers stood at salute until he was seated at the side of the General. The General made an address thanking Ely and the Y. M. C. A. for their work in France and expressed regret that he was not able to confer an official decoration.

QUOTAS FIXED FOR FALL Y. M. C. A. DRIVE

National Goal of \$112,000,000 Includes \$15,000,000 For War Work Of Y. M. C. A.—Southeast Asked For \$5,000,000

The quotas for the seven states of the Southeastern Department for the next financial drive of the National War Work Council of the Y. M. C. A. for \$112,000,000, which will take place late in the fall were decided upon last week by delegates from each of the states. Seven hundred delegates from the seven states of the Southeastern Department recently met with the nation's leading Y. M. C. A. workers at the Capital City Club of Atlanta, Ga.

The quotas for the Southeastern states, totaling approximately \$5,000,000, were decided upon as follows:

Florida, \$577,584; Georgia, \$1,043,784; Mississippi, \$280,000; North Carolina, \$680,288; South Carolina, \$644,896; Tennessee, \$1,095,920; Alabama, \$504,000.

\$15,000,000 to the Y. W. C. A.

Of the total amount \$15,000,000 will be turned over to the Young Women's Christian Association in order that they may carry on the many war activities that they have undertaken.

Every town and community of the Southeast was represented by its leading citizens at the conference. Chief among the international figures were Dr. John R. Mott, General Secretary of the National War Work Council, Geo. W. Perkins, former leader of the Bull Moose party, a member of the executive board of the United States Steel Corporation and now chairman of the Army and Navy Y. M. C. A. bureau of finance. Others in the party were A. H. Whitford and Chas. S. Ward, directors of the national campaign, and A. M. Cotton of the Boys' Earn and Give Campaign.

The "Y" Men Are To Be Found Where Battle Is Hot

"If you want to know what the Y. M. C. A. means to the soldiers, go where the fighting is hot," is the regular reply of the American soldiers in France, according to a cablegram received recently by the National War Work Council telling of more secretaries who have been under liquid fire attacks, as well as gas and shell fire. The American Expeditionary officers have sent scores of letters to the Paris headquarters of the "Y" praising the work of the Red Triangle workers, declaring them to be indispensable.

More than a thousand "Y" secretaries are in advanced positions and dugouts under constant shell fire. There are no quitters and they refuse to be relieved, saying that where the troops go the Y. M. C. A. will stick.

WHO DEPOSITS YOUR DOLLARS?

Somebody does. Every time you buy a piece of furniture, an article of clothing, or a sack of flour, you are adding to the bank account of the man from whom you buy.

Did it ever occur to you what a great idea it would be to owe yourself something each week or month? Just a few dollars paid regularly to your bank account will put a barrier between present prosperity and future needs, and turn all those petty little trouble clouds around with the silver lining out instead of in.

Now Is the Time!

You know the European war has temporarily stopped the flow of foreign goods to this shore. Now is the time to learn to use "Made In America" articles.

You don't have to buy anything made outside of the United States. This country produces what you want—or it soon will.

When you buy at home you keep your money at home and not in the coifers of the European markets.
